

Moisturizing Hand Sanitizer

2 oz (60 ml) Aloe vera gel (*Aloe barbadensis*)

4 drops Tea Tree essential oil (*Melaleuca alternifolia*)

4 drops Lavender essential oil (*Lavendula angustifolia*)

2 drops Cedarwood essential oil (*Juniperus virginiana*)

Combine all the ingredients together in a 2 oz. PET plastic bottle. Screw on the lid and shake it gently.

This is the perfect size to fit in a purse or backpack, so you can always sanitize and moisturize your hands whenever you want to.

Safe for adults and kids 5 years and up.
